This Ultimate Holiday Destination is an archipelago of 1,192 coral islands grouped into 26 natural coral atolls in the Indian Ocean. They lie south-southwest of India and west of Sri Lanka. It's a chain of 'individual island resort' with nature's clearest waters and finest beaches basked in the tropical equator sun, where activities range from unlimited water sports to the art of doing nothing.

The resorts in the Maldives offer many once-in-a-lifetime experiences. Dive into the waters of the blue lagoon straight from the deck of your overwater accommodation. Dine by candlelight on the beach under a star-filled sky. See the underwater world on a semi-submersible ride. Swim in the lagoon; the calm waters are the perfect place for stand-up paddleboarding or kayaking. Meet the friendly Whale sharks who call the South Ari Atoll home, snorkel among the colourful coral or just relax lagoon side on the pristine sand as you're sure to find a spot to call your own. Sip cocktails and savour local flavours at the wide selection of bars and restaurants. At the end of each day find a spot on the beach to sit back and watch a sunset that will take your breath away.
